

ERD for a Movie Theater

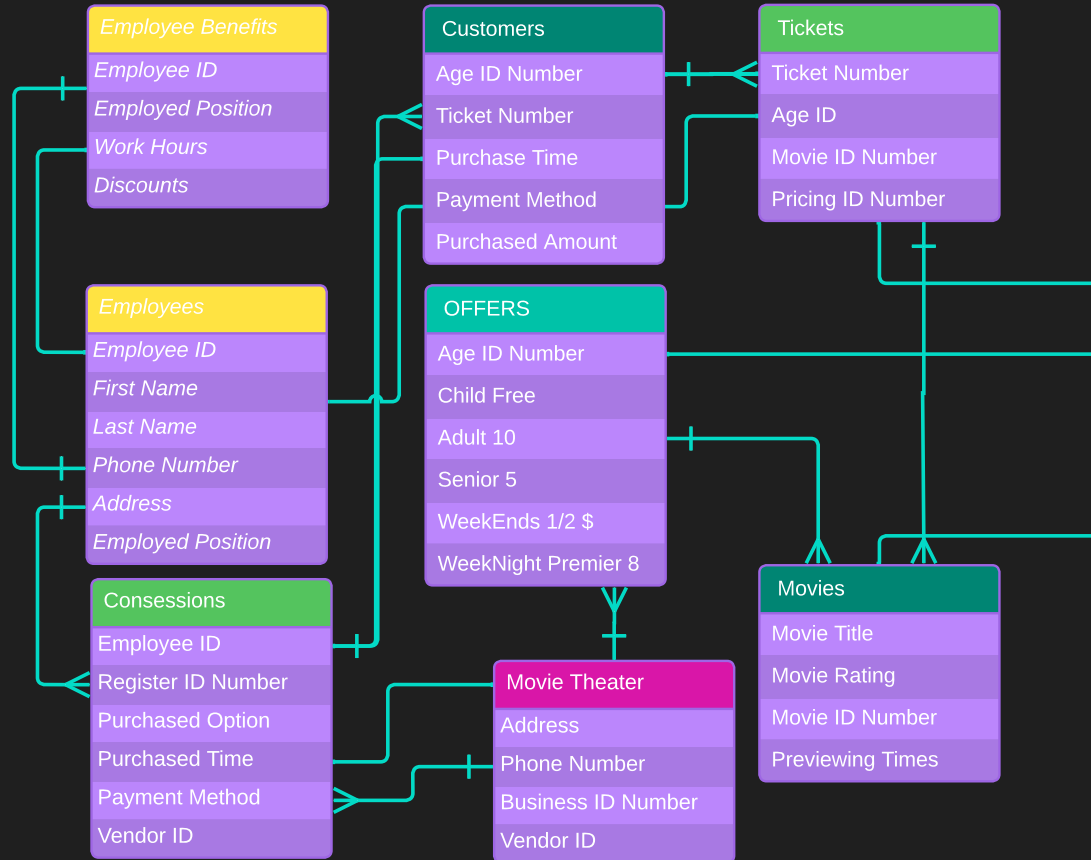

Brittany Stripling | July 3, 2023

Diagram Key

- Offers (optional)
- Customers/Movies
- Tickets/Consessionsions
- Employee/Benefits
- Theater

Relationship Cardinality

- One
- Many
- One and only one
- Zero or one
- One or many
- Zero or many

When creating this diagram I tried thinking of all the different things that would go into each entity and where a relationship may be that may or may not have any shared data that could be accessed easily.
